

Swire Shipping is upgrading our Townsville service to a fixed day frequency as part of our commitment to facilitate the long-term growth and development of Northern Queensland. We offer market leading transit times in to Townsville, in particular 17 days from Shanghai. Our extensive partner network connects the rest of the world to Townsville and we are the only carrier to call direct in both North and South East Asia. Supported by the largest and most modern fleet in the market, Swire Shipping's flexible multipurpose liner service caters to containerised, hazardous, break-bulk and project cargoes.
